

You are cordially invited...

The Sauvie Island Volunteer Firefighter's Association will be holding its first annual Community Appreciation Pancake

Breakfast April 26th, from 8 to 11 am. With the new kitchen installed at the Fire Station, the volunteers would like to show their appreciation for all of the Sauvie Island Community. Be our guest at this no-charge event, open to all ages and featuring firefighter cooked pancakes, sausage and eggs provided by Fred Meyers.

This will also be a great chance to learn more about becoming a volunteer or to check out the fire engines and equipment. We hope to see you there!

Do you know CPR?

CPR, or Cardio-pulmonary resuscitation has been shown to dramatically increase the chances of survival in the event of a heart attack. All of your Island firefighters are trained, and now we're taking the skills to you! If you're interested in an afternoon learning life-saving skills, along with general first aid, give us a call. We're also available for training at your local business!

Interested in Volunteering?

Did you know the Sauvie Island Fire Department is composed of all volunteers? We are always looking for folks from the community to come and help out. No experience needed; we'll give you all the training you need in a fun, action-packed setting. We also have a cadet program for teenagers. Give us a call today and come check it out!

Big Improvements for this year's race...

The July 4th Foot Traffic Flat is fast approaching and we're gearing up by making some big improvements to the safety and traffic during the event.

The 2007 event brought in over 20,000 dollars for the Firefighter's Association with over 1,800 runners! These funds were used for much needed safety equipment and CPR training for the community.

We're expecting this year's event to be just as big and exciting. With that in mind, we have decided to move the start/finish line and all of the main activities from Bybee Howell Park to The Pumpkin Patch on Gillihan Road. This change will not only provide a better atmosphere for the race, but will provide a crucial change in traffic flow at the Sauvie Island Bridge. We expect that traffic will substantially improve because of this.

As always, we appreciate all the help the Island provides during this event, especially those of you who volunteer out on the course handing out water. Let's continue to make this a great event!

Calendar

April 26th, 8 - 11 am

Community Appreciation Pancake Breakfast

July 4th, 6 am - 12 pm

Foot Traffic Flat Fundraiser Race

Wednesday Nights, 7 - 9 pm

Training for firefighters
